27 May 2019

To all students,

REFUNDS TO STUDENTS

1. We confirm that management has decided to commence with refunds at the end of May 2019, without any prejudice to their rights and without admitting liability.
2. Due to the volume thereof and amounts involved, we will proceed with payments of R100.00 per month, to each student that is lawfully entitled to a refund.
3. Students who commenced with legal action against the school will not be entitled to refunds, as was confirmed in our letter to all students dated 10 January 2018.
4. Should you disagree with the aforementioned calculation in terms of the refund policy, you must provide us with written reasons within 10 days from date hereof at the following email address: principal@nursingacademy.co.za, failing which you are deemed to accept the calculation and proposal.
5. The school will endeavour to pay larger monthly instalments to each student in order to refund the amounts that the students are entitled to as quick as possible. The school will inform the students as soon as the monthly payments are increased.
6. This constitutes a full and final settlement. We trust that this resolves the matter of refunds.

Kind regards,

Thuto Bophelo Management
